TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

An Avalanche is the terror of the Alps. A very little is sufficient to give the necessary impetus to a few small rocks or stones which in their turn dislodge larger fragments, until from a very small beginning a tremendous fall of rocks and stones may take place. History records the story of many a village overwhelmed by these catastrophes, and climbers and hunters meeting with their death in this manner is no unusual event.
